

เฉลิมฉลอง 65 ปี
สู่ความยั่งยืน

National Research Council of Thailand in collaboration with King Mongkut's University of Technology Thonburi cordially invites you to the

Research Integrity Online Training

Responsible Conduct of Research (Basic RCR)

Thursday, 31 July 2025, 9:00–12:00 hrs

Objective:

- To promote knowledge of research integrity.
- To promote the development of collaborative networks for advancing research integrity among domestic and international organizations.

Certificate Requirement:

- Participants must attend the entire training and achieve a score 80% or higher on the post-test to receive a certificate.
- This certificate can be used as evidence of training in research standards and may be submitted in support of research grant applications to the National Research Council of Thailand (NRCT).

Opening Remarks

Dr. Annicha Tokitklatawat

Senior Advisor for Research, National Research Council of Thailand (NRCT)

Responsible Conduct of Research (Basic RCR)

Speaker

Dr. De Ming Chau

Universiti Putra Malaysia
Member, Governing Board, World
Conferences on Research Integrity Foundation
